

CALNET II RFP DGS-2053

Question and Answer Set #22

February 23, 2006

111. Reference the CALNET II website and the opportunity to submit proposed model contract language changes by March 1, 2006 (per Addendum 22), how would the State like the proposed changes to be submitted?

Word versions of the Addendum 18A Model Contract Language are posted on the CALNET II website. The following instructions apply (see also RFP Section 2.4.2, Subsection 5.):

- **Redline common changes in Module 1 Model Contract Language, and only specifically relevant changes in the other Modules. The State will assume changes suggested in Module 1 are for all four Modules unless told otherwise.**
- **Provide an explanatory chart for each Module providing rationale for each requested change in the following format:**

Section	Proposed Change	Rationale for Change

- **Provide five (5) hard copies and and one soft copy (on CD).**
- **Provide responses as required by the Key Action Date to the following:**
